#	Question	Answer
Application Questions		
1.	Under the LGHS program, are only the Thiès, Kaolack and Fatick regions eligible for funding?	Only the regions of Thies, Kaoloack, and Fatick are eligible for funding consideration.
2.	Is it possible to explain what is expected in terms of activities for Senegal?	More information about the forecast for Senegal will be included in the Request for Application (RFA).
3.	Section B of the NOFO states that organizations meeting the eligibility criteria can benefit from up to two grants, will this be done simultaneously, or will each grant be awarded separately and according to its duration?	An organization cannot receive more than one grant. LGHS will award two grants in Senegal.
4.	Is there a possibility for organizations to receive other types of technical support including capacity-building?	Yes, LGHS will provide organizational and technical capacity building support for partners. The amount of support will be determined according to grantee needs and available budget.
